

VUE 17

A MODERN BROADCAST & EVENT SPACE

What we saw first was the view.

Breathtaking in every season,
Vue 17 shows off the beauty of St. Louis in panoramic fashion.
We kept the space as open as possible so that when the sunset
makes the city glow, you get to see all of it.

This technologically brilliant space takes corporate meetings,
receptions, parties, and product launches to new heights.

Vue 17 is the culmination of the thousands of events
our team members have planned, chaired, and hosted over the years.

When it came time to open our own event space,
we were determined to create something gorgeous and state-of-the-art.

With that in mind, we equipped Vue 17 with the things
we always needed and wanted
at our own events.

The end result: a versatile, stunning space with amenities
that enrich every type of event.
